**Mississippi Development Authority  
Technical Modification #13  
Homeowner Assistance Program  
Funding Reallocation Clarification to Modification #11**

**Background and Purpose**

MDA previously made available Modification #11 for public comment on September 2, 2008, and received approval from the Department of Housing and Urban Development (HUD) on September 12, 2008. The purpose of the modification was to reclassify \$181,464,000 of the \$5.48 billion federal appropriation through the Emergency Supplemental Appropriation Act for Defense, the Global War on Terror, and Hurricane Recovery, 2006 (Public Law 109-148).

Modification #11 incorrectly allocated previously unallocated funds totaling \$946,059 as part of the reclassified funds. Modification #13 clarifies the amount of reclassified funds to the correct total of \$180,518,000 towards the Homeowners Assistance Program (HAP) and restores the \$946,059 to its correct state of “Unallocated” funds.

**Summary**

Clarified Amount of Reclassified funds for HAP:	\$ 180,518,000.00
Unallocated Funds:	\$ 946,059.00
